OIL PRICE REDUCTION ACT OF 2000

Mr. DIAZ-BALART. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 445 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 445

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 3822) to reduce, suspend, or terminate any assistance under the Foreign Assistance Act of 1961 and the Arms Export Control Act to each country determined by the President to be engaged in oil price fixing to the detriment of the United States economy, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on International Relations. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on International Relations now printed in the bill, modified by striking subsection 6(c). Each section of that amendment in the nature of a substitute shall be considered as read. No amendment to that amendment in the nature of a substitute shall be in order except those printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII and except pro forma amendments for the purpose of debate. Each amendment so printed may be offered only by the Member who caused it to be printed or his designee and shall be considered as read. The Chairman of the Committee of the Whole may: (1) Postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any

amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore (Mr. LAHOOD). The gentleman from Florida (Mr. DIAZ-BALART) is recognized for 1 hour.

Mr. DIAZ-BALART. Mr. Speaker, for purposes of debate only, I yield the customary 30 minutes to the gentleman from Texas (Mr. FROST); pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 445 is a modified open rule providing for the consideration of H.R. 3822, the Oil Price Reduction Act 2000. The rule makes in order the Committee on International Relations amendment in the nature of a substitute now printed in the bill as an original bill for the purpose of amendment, modified by striking section 6(c).

The rule provides for 1 hour of general debate equally divided between the chairman and the ranking minority member of the Committee on International Relations.

Further, the rule provides the bill shall be open for amendment by section, and makes in order only those amendments preprinted in the CONGRESSIONAL RECORD, to be offered only by the Member who caused it to be printed or his designee, and each amendment shall be considered as read.

In addition, the rule allows the Chairman of the Committee of the Whole to postpone votes during consideration of the bill and to reduce voting time to 5 minutes on votes following a 15-minute vote.

Finally, Mr. Speaker, the rule provides for one motion to recommit with or without instructions.

Last Thursday an announcement was made advising Members of the preprinting requirements for amendments, and I believe that House Resolution 445 is a fair approach in order to provide a forum in which to debate the current situation regarding the rising price of oil and its causes. Because the bill is narrowly tailored and deals only with foreign and not domestic oil, it is important all Members have the opportunity to review amendments prior to their being offered in order to ensure that they are germane.

I am sure all of us have been bothered, Mr. Speaker, by the high price of
